

# Castlecrag Private Hospital

## Hospital Description

Castlecrag Private Hospital is a 40 bed acute Surgical/Medical facility, which specialises in Orthopaedic, Plastic, Ear Nose and Throat and Dental Surgery.

It also has a 13 bed medical ward that caters for general medical and palliative care admissions.

Castlecrag Private Hospital has established an excellent reputation in the region for its high commitment to customer service, staff satisfaction and quality improvement.

Castlecrag Private Hospital is situated in the leafy, tranquil suburb of Castlecrag on Sydney's North Shore and has been providing quality service to the community since 1928.

## Rotations to other facilities

Castlecrag offers rotations as part of the North Shore Private Program.

## Education

At Castlecrag Private Hospital you will be supported by a nurse educator and ward preceptors. You will continue to attend your allocated grad study days at North Shore Private and have access to both the Castlecrag Private & North Shore Private education calendars.

In addition, The Graduate Nurse Coordinator (Sheila Collins) will make phone or email contact with you during your rotation to Castlecrag Private Hospital to ensure you still feel part of the NSP team.

## Employee Benefits

- Smaller Hospital which is more able to offer individual attention and support
- Nurse Educator and ward preceptors to offer support and education
- Experience in day only and overnight patient stays
- Experience in medical and palliative care
- Small friendly environment
- Onsite, free staff parking, meals provided
